Tells How She Got Well

Miss G. I. Baird of 36 Glenville ave., Allston, Mass., writes: "I have been sick almost two years, had four doctors with little or no relief. I was growing thin every day, went from 138 to 111. I was so discouraged I didn't know what to do. One night, about three weks ago, I picked up a paper and saw your Dr. True's Elixir, Family Laxative and Worm Expeller advertised. I made up my mind I had worms, and the next day bought a small bottle of Dr. True's Elixir. I was surprised at the result, stomach worms some a finger long, so much silme, that looked as though it was just the skin of worms. The day before I took Dr. True's Elixir I thought I should go wild with the crawling in my stomach. I feel like a new person, all my friends say I look so much better. I wouldn't have believed anyone could feel so much better in such a short time. I can't give your medicine praise enough."

Signs of worms: Offensive breath, swellen upper lip, sour stomach, deranged stomach, ocasional gripings and pains about the navel, pale face of leaden tint, cyes heavy and dull, twitching cyclids, itching of the nose, itching of the return, short dry cough, grinding of the teeth, red points on the tongue, starting during sleep, slow feever. Dr. True's Elixir, The Family Laxative and Worm Expeller, is gld by ALL DEALERS.—Adv.

Among the many interesting cases of nerve quiet and increase in weight credited to the aid of Bitro-Phosphate is that of Mrs. Rosa Harris, who was thin and nervous when she began, weighing 101 pounds. While using Bitro-Phosphate faithfully, she had reached 134 pounds, a desirable weight for her. The improvement in Mrs. Harris' appearance was so great, that friends of hers were amazed. Bitro-Phosphate aids in overcoming many cases of neurasthenia, brain or mind fatigue, tendency to hysteria, melancholy or breakdown, sleeplessness, lack of self-control, nervous spells.
